Recommendation Letter

To Whom It May Concern

Dear Sir/Madam,

We are writing to provide our recommendation for Sakura Home Services, which our Procurement hub have been experiencing their cleaning service for over one years. Sakura has a team of trustworthy cleaners with quality work. Their good work attitude has also impressed us.

From using their cleaning service, their cleaners can adapt to different cleaning requirements and deliver efficient works to ensure that the tasks are completed to our satisfaction.

In summary, they are a reliable company to deliver consistent results and we are very willing to recommend Sakura Home Services' excellent services to other institutions, companies or partners.

Thank you for considering this recommendation.

Yours faithfully,

Wesley Chung
